Kinesiology/Health & Fitness: (2 hours)

KINE 199 (must be S/U) _____
KINE 198 _____

TOTAL MINIMUM HOURS = 120

Notes:

* **English Proficiency:** You must pass ENGL 104 with a grade of “C” or better to satisfy the state mandated English proficiency requirement.

Residency requirements: You must complete at least 36 hours of upper level (300/400) course work at A&M. Twelve of the 36 hours must be upper level courses in the major field of study.

Computing hours for the FREN degree: You **may not** use the same course to satisfy two different degree requirements for the FREN major; however, some courses may be “doubled” to satisfy a double major or a minor requirement.

All students must take 2 courses in their first major that are designated as fulfilling a writing requirement (W). Currently, FREN 300, FREN 336 and some sections of FREN 202 fulfill that requirement. Students doing double degrees need 2 writing intensive courses per degree.

All students must take 2 courses that are designated as fulfilling an International and Cultural Diversity requirement (ICD). These courses can be courses in the major or any other part of the degree plan.

AP, IB, CLEP, SAT II and Dual Credit. Students may now claim credits from these tests and/or classes through their HOWDY portal. A list of equivalent courses for these tests can be found at mars.tamu.edu under the testing tab. Students should consult their advisor before claiming credits.

UMAT, USSC, UVPA, USC1 and USC2 approved courses can be found by checking the last column (attributes) on the course schedule or by selecting a particular attribute on the class search page in HOWDY.
